This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of LDM Systems, Inc. (LDM or the Company) to cancel the Company's two Certificates of Public Convenience and Necessity, due to the dissolution of the Company.

LDM presently has Certificates of Public Convenience and Necessity to provide both interexchange and local exchange carrier services in the State of South Carolina. LDM has now been dissolved as a separate entity, and its assets have been merged into its parent company RSL COM U.S.A., Inc.
